

- 95% AFUE
- 5:1 Turn down ratio
- Advanced Honeywell SOLA control with ergonomic touch screen display
- Five sizes 85, 110, 155, 205 & 270 MBH
- Available as Combi at 155 MBH featuring Thermostatic Mixing Valve and Brazen Plate Heat Exchanger
- 5 year parts warranty
- Natural or LP gas (field convertible)
- Field adjustable for high altitude
- Universal vent connection
- Outdoor reset and sensor
- Versatile top and bottom supply and return connections

#### \*ENERGY STAR® certified product

- Boilers shipped set for natural gas. Above performance is for elevations up to 2000'. Consult manual for instructions and performance for installations up to 10,000'.
- The Net AHRI Water Ratings shown are based on a piping and pickup allowance of 1.15.
- The manufacturer should be consulted before selecting a boiler for installations having unusual piping and pickup requirements, such as intermittent system operation, extensive piping systems, etc.

#### ADDITIONAL FEATURES AND EQUIPMENT

- Easy Access control panel
- Split voltage junction box with fused connection boards
- LWCO ready with NPT connection
- Pre-installed hanging bracket and wall mount kit
- Sola Control System
  - LCD touch screen display
  - Built-in self diagnostics
  - Three circulator outputs (Heat Only model)
  - Built-in sequencer stages up to 8 boilers
- Domestic Hot Water priority
- Warm weather shutdown
- Password security

#### OPTIONAL EQUIPMENT

- Zone Panel
- LWCO kit
- Wireless outdoor sensor
- Service parts repair kit
- CPVC/PVC Vent Kit
